Meet Stevie & Julie

Stevie and Julie McShane have been at the helm of Haut-Lac camps since 1994. They've welcomed campers from Europe, the USA, Russia, the Middle East, Africa and Asia to the Haut-Lac Boarding House for plenty of safe, fun-filled summers on the Swiss Riviera.

They will ensure your child feels cared for and supported. For them, it's not about a holiday; it's about having fun and learning as an international family.

Meet Ella & Marta

As full-time supervisors at the Haut-Lac Boarding House, Marta and Ella are experts at balancing fun with safety.

Their priority is to make sure every camper is able to thrive socially, emotionally and physically throughout their stay. Just like they do for the international Haut-Lac boarders in their care during the school year.

Sophia, 14 years old

«I loved how we got to try new activities every day, like rock climbing and paddleboarding. The supervisors were so cool, and we had campfires every weekend. Best summer ever!»
